DECLARATION OF DINO LIONETTI

I, Dino Lionetti, declare as follows:

1. I am a collaborator on Imagos’s Starr Mazer project. I agreed to contribute music to the project.
2. In February of 2017, I had contact via text message with Alex Mauer regarding Imagos and Don Thacker.
3. Screenshots of the text message exchange are attached to this Declaration.
4. I certify that these images are unaltered images of my actual text message exchange with Alex Mauer.
5. I have also worked on music on a project called “River City Ransom Underground”.
6. I am aware that, on or about July 14th, 2017, River City Ransom Underground was removed from sale on the Steam game store by a DMCA takedown notice from Alex Mauer.
7. I have personal knowledge of myself, my activities, and my intentions, in the foregoing statements, and, if called to testify, I would competently testify as to the matters stated herein.

8. I verify, under penalty of perjury, that the foregoing is true and correct, under 28 U.S. Code § 1746.

I'm actually outpacing the lawyer and making him look slow on purpose

Feb 26 7:55 PM

I'm trying to make him bill Don for more hours

Feb 26 7:56 PM

no offense but that doesn't sound productive at all

Feb 26 7:56 PM

you need to get the law on your side

Feb 26 7:56 PM

It is. I am making it so they will screw themselves somehow

I asked the lawyer for Don to send my 1099 tax forms which prove that Don broke the Starr Mazer contract

Feb 26 7:58 PM

you need legal advice

Feb 26 7:58 PM

I told the lawyer Don will probably try to forge false info on the forms

Feb 26 7:58 PM

at the very least

Feb 26 7:58 PM

So i basically turned the lawywr and Don against each other secretly

Don't go against each other secretly

Feb 26 7:58 PM

The lawyer will see the false info and then question if he wants to continue to be involved in this kind of activity

Feb 26 7:58 PM

That MIGHT work

Feb 26 7:59 PM

We'll see

Feb 26 7:59 PM

Either way it proves that there are no contracts with Imagos that they can try to use as justification for what they're doing

i understand but you need to get some legal advice

Feb 26 8:19 PM

i would seek it for you but i don't have every single detail

Feb 26 8:21 PM

you just need to talk to someone who really knows the law well

Feb 26 8:21 PM

My view is the laws are too broken to rely on that

Feb 26 8:23 PM

Its basically at the point where the only thing to do is let the criminals self incriminate

Feb 26 8:23 PM

Adding my own lawyer will complicate that

Feb 26 8:23 PM

So I wont

Feb 26 8:23 PM

Unless someone forges a fake document like a fake contract, then I would hire someone who does forensics to fix it

Feb 26 8:24 PM

Then they go to jail

look i just don't want to see you get fucked over

Feb 26 8:25 PM

I'm sure you're making a good effort but you should at least get some legal advice

Feb 26 8:25 PM

It's too late for that

Feb 26 8:27 PM

no, that isn't true

Feb 26 8:28 PM

And advice is probably going to be "register the copyright" which I refuse to do

I've been beyond screwed over by this

Feb 26 8:28 PM

Don owes me \$9000

Feb 26 8:28 PM

you're defeating yourself on this then, the only reason he can even do this to you is because you refuse to deal with copyrights

Feb 26 8:28 PM

you are no longer in business with
this dude

Feb 26 9:17 PM

But it was composed for hire and he
paid me. He paid me less than we
agreed on, breaking the verbal
agreement. I asked for a contract
and he failed that too. Then I asked
him to sign a license agreement and
he said no
